

HOUSE OF GRACE

At House of Grace we're committed to helping domestic violence victims and their children find safety and hope.

OUR MISSION:

For over 25 years, House of Grace in Southaven, Mississippi has provided private, confidential support to survivors of domestic violence and their children. We offer free shelter, necessities, counseling, and personalized care in a safe, respectful environment. Certain services, such as housing assistance and case management, are available to shelter residents to ensure focused care and privacy. All services are free and offered without discrimination.
